

Report on Online Expert lecture:

“Introduction to Computational Fluid dynamics”

Department of Mechanical Engineering organized expert lecture on “Introduction to Computational Fluid dynamics” for final year students on 15th April 2021 for 2 hours duration on Google meet platform. Total 79 students were attended the lecture. The session was conducted by Dr Pitambar Randiwe, Asst. Professor , NIT, Silchar (Assam).He explored students about use of CFD, application, where to implement and also career opportunities in CFD field in industry. Program concluded by vote of thanks.

The program was coordinated by Dr. S.K.Bhele.
