11. Grievances redressal mechanism for faculty Staff and students:

A Grievances Committee has been constituted way back in 2001 and its existence is widely circulated. Any major grievance, which could not be solved at the HOD level, can be submitted to the Committee. The Committee goes into the details and gives its suggestions to the Director. The Director in consultation with the Management takes appropriate steps for the redressal of the grievance.

A Suggestion Box is installed within the easy reach of the students in the Administrative Building so that they may communicate their grievances in writing. The Director notes the suggestions, so received, to initiate corrective actions.
