

## Report on Inaugural function of ISTE chapter for the session 2018-19.

The ISTE Students' Chapter of KITS Ramtek had organised its Inaugural Ceremony on 14<sup>th</sup> Aug'18 at Chhatrapati Shivaji Seminar Hall. This was held to mark the start of academic year 2018-19 and introducing the newly formed forum body of ISTE. The Principal of KITS Ramtek Dr. B. Ram Rathan Lal graced the occasion along with Chief Guest Mr. Aniruddha Kalbande, Dr. P. S. Ashtankar, Asso. Dean of Student Activities), Mrs. Shilpa P. Ashtankar and Mr. L. Charan Chauhan, Staff In-charges, Mr. Shreyash Kumbhare, President of ISTE proceeded with the function.

Mrs. Shilpa Ashtankar presented the welcome address through a power point presentation describing the newly elected forum body and establishment of ISTE along with the events held in previous years by

ISTE Students' Chapter. During the Ceremony, Dr. P. S. Ashtankar, Asso. Dean of Student Activities addressed the gathering and informed about the various clubs and forums and their working in KITS Ramtek.

Followed by the welcoming speech of Mr. Shreyash Kumbhare, President of ISTE informed us about the various events to be conducted by ISTE in the upcoming year and promised to work effectively according to the rules of KITS, RAMTEK under the guidance of respective Staff In-Charges.

The Chief Guest Mr. Aniruddha Kalbande guided us along the various steps to be followed by the students to achieve milestones in the academic and technical fields. Followed by the speech of Principal Dr. B. Ram Rathan Lal, in which he congratulated the newly elected forum body and wished good luck for upcoming events. The light of inaugural Ceremony guest lecture by the Chief Guest was the main attraction for students. He was very interactive with the students to gain the interest of students. He mainly stressed on the facts for the need of engrossing the student's interests in academics and upcoming new technologies. Speaking about his start-up and work experience with the Malayasian start-ups has shared various tricks that to be followed by the future engineers. The inaugural Ceremony was ended by vote of thanks to the respective dignitaries and presenting the token of love to the Chief Guest. Mr. Harshal Kasare. Vice President thanked all the audience and members for gracing the ceremony and making this event a successful mark.
